

PHOEBE COUTURE

Designed for her youngest generation of fans, Kay Unger's newest eyewear collection offers frames with gala-ready style. Inspired by both the romantic and retro eras, bold textures mingle easily with sophisticated patterns for the ultimate in flirty eyewear.

- The line's vibrant use of color has raised the bar for teen to 20-something trendsetters
- Frames transition easily from a day in the office to a night on the red carpet
- From the runway to the real world, Phoebe Couture offers the perfect styles for any occasion
