KAY UNGER  
NEW YORK

Radiating the same glamour, creativity and cutting-edge design seen in her fashion collections, Kay Unger sunwear is characterized by high-end tailoring and feminine styling. Each frame is prescription compatible, and gradient sun lenses offer UV protection with fashion appeal. Blending exquisite materials and chic design, this sunwear collection is ideal for confident women with a discerning taste.

- Designed with an appreciation of classic elegance
- Colors, textures and dramatic details are inspired by Kay's own fabrics and designs
- Charming accents, Swarovski crystals and laser etchings make each frame a work of art
