Grab your backpack and get ready to explore with Dora, Diego and Ni Hao Kai-Lan! Straight from the top rated Nick Jr. shows comes a line of eyewear that both parents and kids will love. Adorable styles for boys and girls offer fun color treatments and design details, complete with beloved characters. The collections include a variety of features, including memory metal and double action spring hinges for added comfort and durability.

- **Memory metal styles provide maximum flexibility**
- **Select infant styles with soft cable temples to hug a child's head**
- **Bright colors to offer a fun, exciting look**
